Terms & Conditions

1. Payment Terms - 50% advance will be payable along with the LPO, and 50% on Completion after the works.
2. Manufacturing & Fabrication - Manufacturing and fabrication activities will commence only after receipt of order confirmation and initial advance payment. Any materials to be supplied by the customer must be provided prior to the start of production. We hope the above is in line with your requirement, and we look forward to receiving your valued orders.

If you require any further clarification/assistance, don't hesitate to contact us.
Thanks,

SmartFab Lathe
